Allowable Subject Matter

1. Applicant's arguments to the drawings and specification are deemed to overcome the outstanding office action.
2. Claims 1-16 are allowed.

The following is an examiner's statement of reasons for allowance:

The Prior Art does not teach or suggest the rotary switch for installation on a disconnect switch to actuate and de-actuate the disconnect switch contacts comprising a stop member on the base for latching the rotor in an "off" position before application of the first force to prevent a rotation of the rotor that would actuate the disconnect switch, a switching mechanism disposed inside the electrical enclosure for operation in response to movement in opposite rotational directions and in an axial direction to control actuation of the disconnect switch; a rotary handle for coupling to the switching mechanism having a first grip for gripping and rotating the handle in one direction and second grip for turning an opposite direction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
